Robolyst

Run your FTC season in one place.

Team management software for FIRST Tech Challenge teams.

Tasks and schedule	What is due, who has it, and what it blocks
Documentation	Written as you build, not the week before judging
Shared inbox	One address, not one student's Gmail
Scouting and stats	Pits, stands and selection day, on one report
Fiscal sponsorship and finance	Tax-deductible giving, team cards, one ledger
Discord integration	Team HQ, inside the server your team already uses
Team websites	A website sponsors can take seriously
